

On a Budget?

Tips to save you time and money.

Remember...Time is Money!!

Household Tips:

- Label and tape up all boxes
- Store all boxes together for quick loading
- Clearly label all items NOT being moved
- Clean out a walkway for movers
- Have keys and access ready for new home
- Write down special instructions for items
- Be at your new home ready to direct furniture placement
- Designate a central unloading area
- Complete a Pre-Move Survey to ensure we have the proper equipment to move your special items (piano, hot tub, pool table, etc.)

Bedroom:

- Disassemble the beds
- Remove the mirrors
- Secure hardware for each item (bolts, nuts, screws, etc.)
- Drain water mattress

Living Room:

- Disconnect computers and audio equipment
- Keep remotes together so you can find them later!
- Take art work off of walls and move them to one location

Kitchen:

- Disconnect appliances
- You may want to go ahead and replace washer hoses

Attic/Basement:

- Clean out!!
- Box up everything and keep boxes together, not scattered everywhere
